"Canadian Law and Business Studies" presents a succinct overview of law and business for students at an introductory level. Organized into 20 chapters—which include topics such as rights and freedoms, privacy, confidentiality, land claims, and the environment—this book is designed to be a compact guide of the most essential legal rules in point form. It engages readers by delving into contemporary topics such as online pirating, cell phone contracts, vaccine mandates, careless driving, social media, sniffer dogs, international intrigue, Kyoto (1997), and Glasgow (2021). The book covers a wide range of discussion areas including Indigenous rights, partnerships, companies, oppression, securities, insolvency, negligence, contracts, property, mortgages, copyright, employment, consumerism, discrimination, harassment, and world trade. It is well suited for instructors and students interested in law and social justice, general business, or business administration, and for those studying to qualify as law clerks or paralegals. Each chapter is concluded with an accessible essay that highlights and consolidates key takeaways for the reader. Features:

- a unique point-form format makes this book easier to use than checking Wikipedia
- streamlined, without the bulk and complicated jargon of traditional law textbooks
- created by authors who have over 60 years of practical field experience and are practiced post-secondary instructors
- Robust instructor resources with detailed usage notes, classroom-favourite examples, and more

### Author Information

Richard O. Gasparini

\*\*Richard O. Gasparini\*\* is a lawyer, teacher, and sociologist. He received his BA from Carleton University followed by a JD from the University of Ottawa, an LL.M from Osgoode Hall Law School, an MBA from Bradford University (UK), and his PhD from Manchester Metropolitan University (U.K.). Dr. Gasparini has been a lawyer for more than 30 years and has practised in both private and corporate settings.

Norman M. Fera

\*\*Norman M. Fera\*\* is a lawyer, author, and legal editor. After graduating from teachers' college, Laurentian University and Carleton University, he pursued a master's degree in politics and law. Mr. Fera later studied at the University of Ottawa, where he received his Juris Doctorate. He has been a lawyer for more than 30 years, spending many of them in private practice in Canada's national law firms.

### Reviews

"Canadian Law and Business Studies fills a needed educational void by examining basic procedural and substantive law issues in clear point form. The authors deliver an exciting treatise for anyone at any level interested in Canadian Business Law."

—Craig Allen, Ontario Lawyer and Instructor of Law and Business Administration, University of Windsor  
"I can confidently say that the authors have written a unique overview of law that combines thoroughness with brevity and traditional legal principles with current interests. They have made law understandable and enjoyable without compromising legal competencies. And they convincingly demonstrate that the lines among general, business, and consumer law need to be permeable. Readers will be fascinated by how many personalities and icons they know have become caught up in some aspect of the law."

M. Niki Kanavas, Toronto Lawyer and Law Instructor
