Canadian Working-Class History: Selected Readings, Third Edition, is an updated version of the bestselling reader that brings together recent and classic scholarship on the history, politics, and social groups of the working class in Canada. Some of the changes readers will find in the new edition include better representation of women scholars and nine provocative and ground-breaking new articles on racism and human rights; women's equality; gender history; Quebec sovereignty; and the environment.

Author Information

Laurel Sefton MacDowell

****Laurel Sefton MacDowell**** teaches Canadian history in the Department of History, University of Toronto. She is a co-editor of *Canadian Working Class History: Selected Readings*, 2nd edition and *Patterns of the Past: Re-interpreting Ontario's History*, a past editor of the journal *Ontario History*, and the author of numerous articles.

Ian Radforth

****Ian Radforth**** teaches in the history department at the University of Toronto.

Reviews

This is a very strong anthology, and, to my knowledge, there is nothing comparable for teaching Canadian labour and working-class history. The book covers a lot of important issues, especially issues of gender as well as ethnicity and 'race.' This collection is also particularly useful because it covers a broad time frame.

Ruth Frager, McMaster University

The book's chief strengths are its size and scope. Also admirable are its efforts to balance Canada's [key issues] of class, gender, regionalism, and ethnicity.

David Bright, Brock University

There is a definite need for a book of this kind. The book brings a wide range of readings together in a single source. This collection is a thorough and balanced sampling of the best writing in Canadian labour history.

Jeffery Taylor, Athabasca University

Table of Contents

Preface to the Third Edition

****Part I: The Pre-Industrial and Early Industrial Eras (1830–1890)****

Chapter 1: Farm Households and Wage Labour in the Northeastern Maritimes in the Early Nineteenth Century, Rusty Bittermann
