Church and Society in Documents, 100-600 AD illustrates the diversity of early Christian literature, with its many genres, its many cultural settings, and its many purposes and functions. The documents included in the volume are truly primary sources, witnesses in the first six centuries of Christianity. In them, students can read the very words of early Christians.

Author Information

Alan Hayes

Alan L. Hayes is Professor of Church History in the Bishops Frederick and Heber Wilkinson Chair, Wycliffe College, University of Toronto.

Reviews

Table of Contents
